Full Address in UK
wher we'll be staying

11.6.2017

My son, [REDACTED], and his wife, [REDACTED] are welcome to reside at my property, located at the above address. They may stay rent free for as long as they wish to. My mother, [REDACTED] and I own the house jointly and in full. **UK Address** is a large, three storey, four bedroom property with two bathrooms. Two of the large bedrooms are spare. Rob and Marina regularly stay with my mother and I for months at a time, and have been doing so when they visit, since 2013. We hope that they will be able to come and live with us indefinitely.

I enclose an official letter as proof of address.
